It's already half way through the year and it seems as though Christmas was only yesterday. The Essential Talent Agency is exceeding sales records from previous years and is busy with booking and producing entertainment for many corporate projects. The main attraction to feature this school holidays is the ice rink at Harbour Town make sure you get down there to have a skate! ET talent also feature at every home Port Power and Crows match at Adelaide Oval.

Actors Ink is currently flat out working on numerous TVC and training film castings. Pre casting for some very exciting film projects has begun with four feature films set to shoot in South Australia this year. This should keep many Actors Ink actors busy around Christmas time. I have also been heavy in negotiations for overseas shows to occur in the second half of this year. Watch closely for these updates!

ETPAA classes are delivering the goods with all students receiving great results from the in house exams. A big thank you to Tara Adamson, who gave up her valuable time to assess the students and give some great constructive feedback in their report cards. All parents will soon have report cards to check on each student's progress. The students attending Actors Ink have recently completed a successful semester working with self devised TVC filming, producing some great results.

We are all looking forward to the ETPAA Demo Day being held at The Parks on Sunday 10th July and also to welcoming the parents and friends of AI Acting class students to view the last 30 minutes of their regular classes in week 10.

I hope you all have a great 2 week holiday break. Keep warm and I look forward to seeing you all again in Term 3.
